### Debate Camp: August 16-20th

Each summer, Sacred Heart hosts a debate camp for one week in August. The flyer for this year's camp is enclosed; please feel free to distribute it to any of your interested students.

The camp is free for debate coaches, \$250 for students. The schedule from last year is attached, but we will include some additional sessions for debate coaches this year, and some sessions for advanced students.

Last year we had 40 students from BC to Newfoundland register.

We have very limited billeting available – most years we are able to billet 8 or 10 students. If you require billeting, please contact us before booking your flights so we can determine if we are able to provide you with a billet. Billed students pay an additional \$100.

To ensure that each student is able to debate twice each day, last year we capped registration at 40 students, and we anticipate a similar cap this year.

Registration deadline is June 30<sup>th</sup>.

Brian Casey  
Debate Coach
